

## Introduction to the Wright Laboratory Shop Facilities

May 15, 2019 at 2:00 p.m. in WL-216

In this session you will be introduced to the various shops located at the Wright Lab, hear about the services that are provided and meet the shop supervisors. This includes the Gibbs Shop, the Teaching Shop, the Research Support Shop, and the Advanced Prototyping Center. Please bring any questions you may have about fabrication, design, and how to get started!
