

The background is a dark blue gradient with a bright light source on the left, creating a fan of light rays that spread across the frame. A horizontal lens flare is visible on the right side.

*Welcome to the inaugural*

# **Yale Day of Instrumentation**

[instrumentation.yale.edu](http://instrumentation.yale.edu)

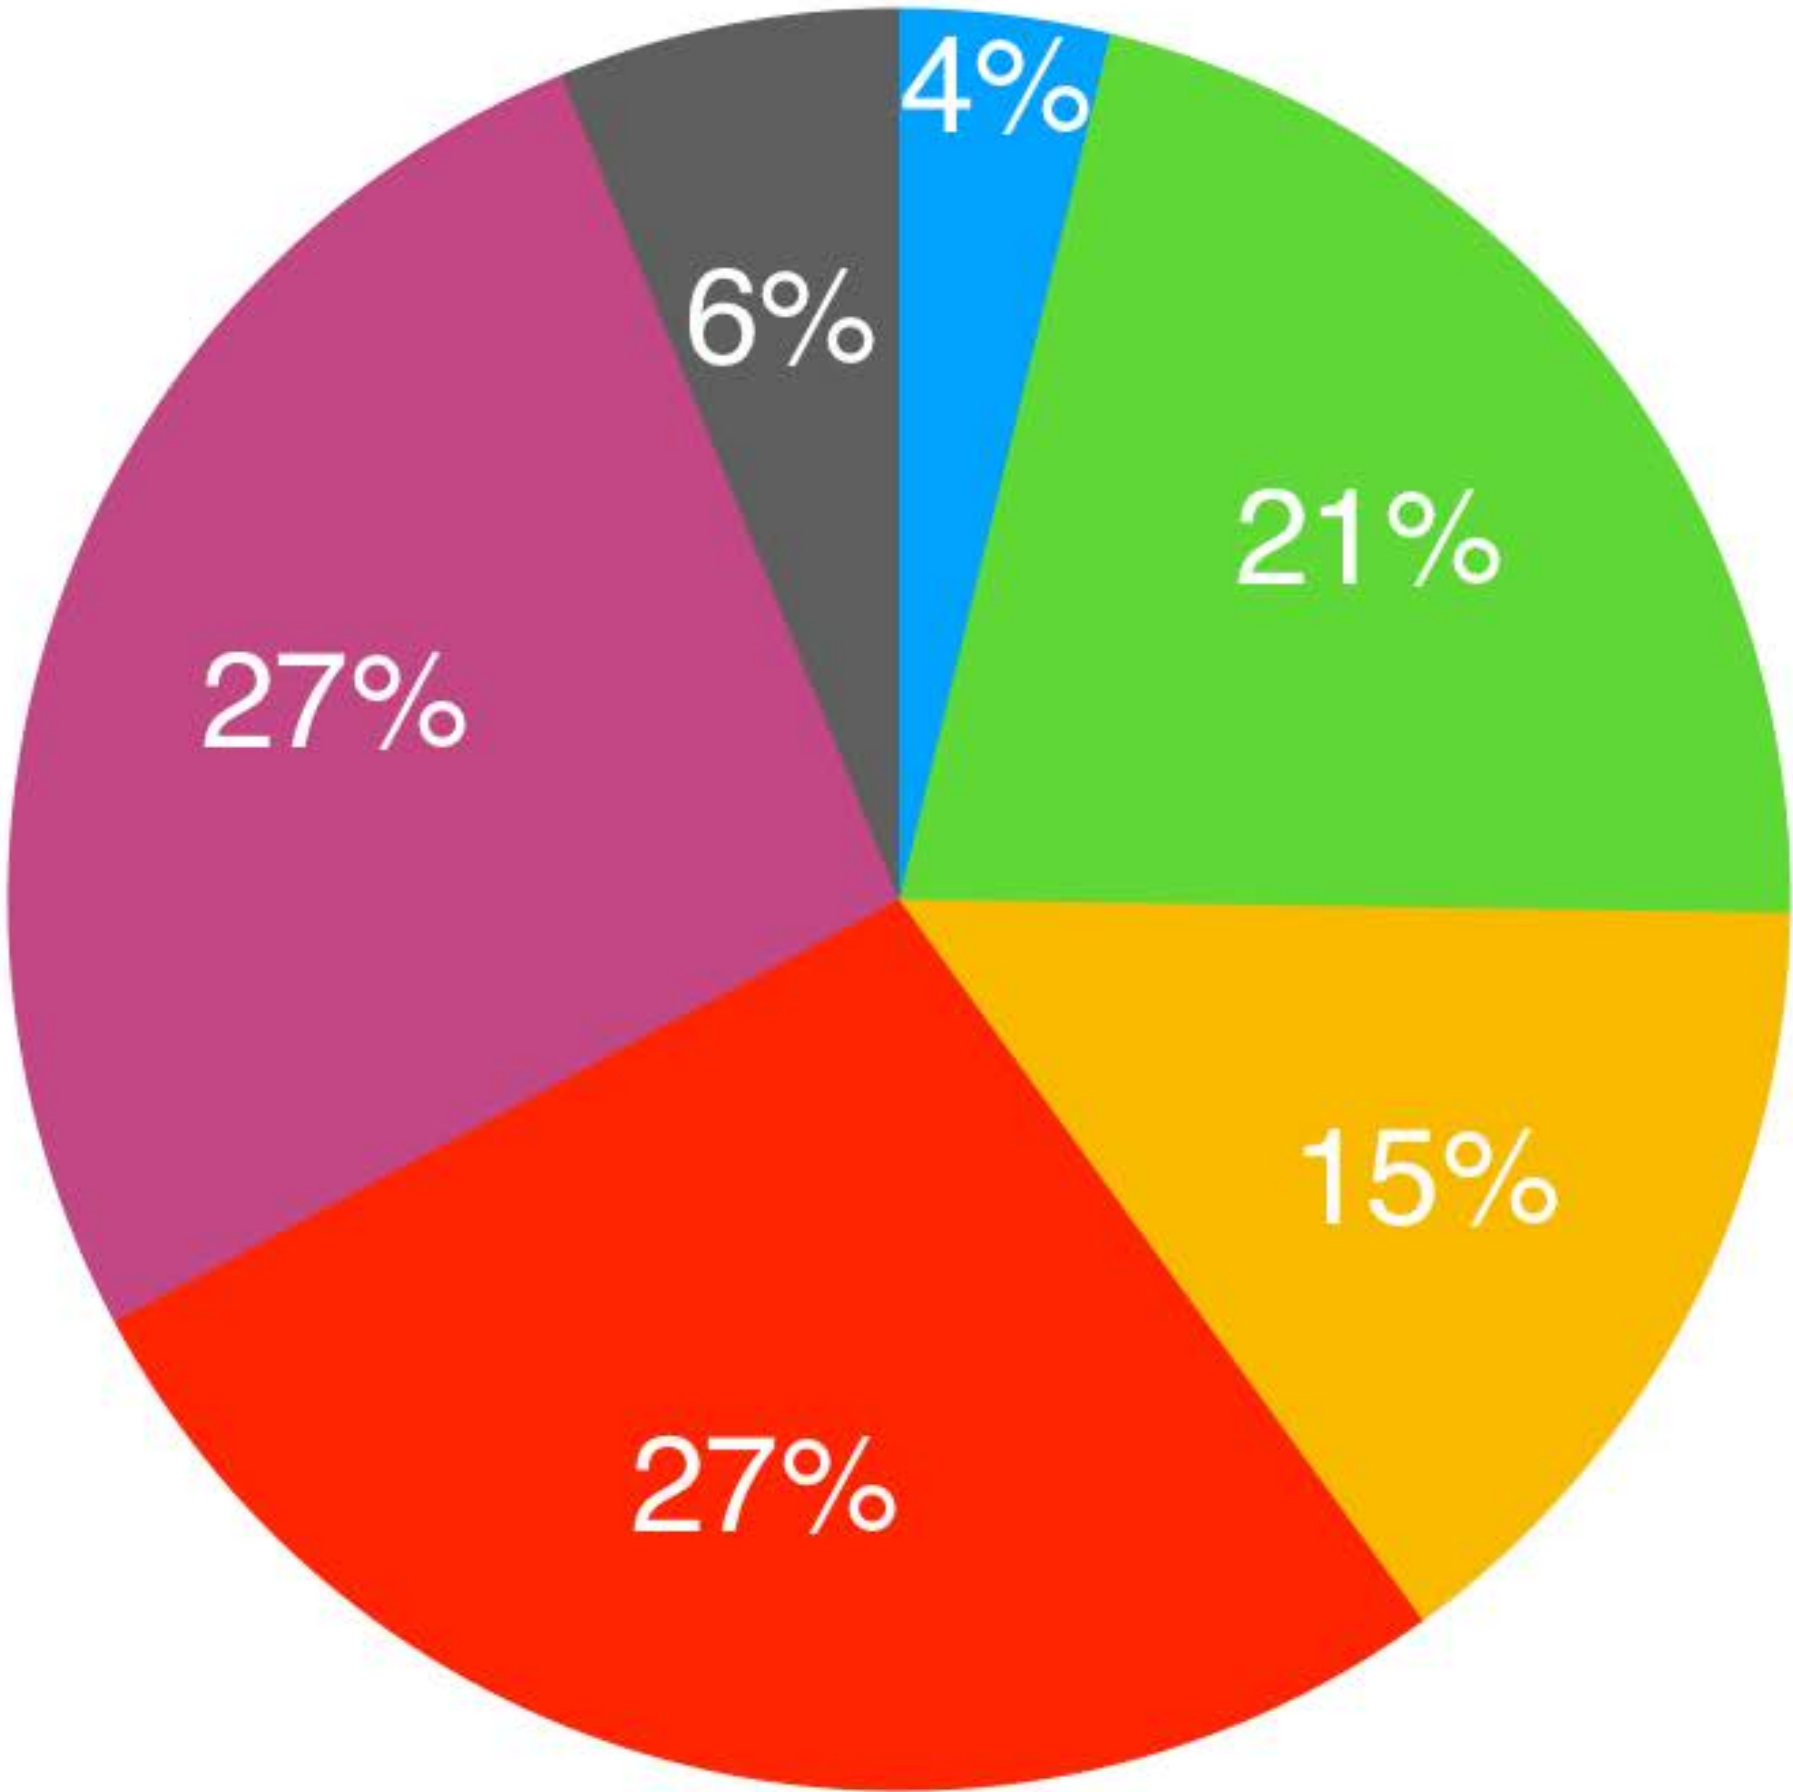

# Instrumentation at Yale

# Participants and Program

- Undergraduates
- Graduate
- Postdoc
- Staff/Scientist
- Faculty
- Administration

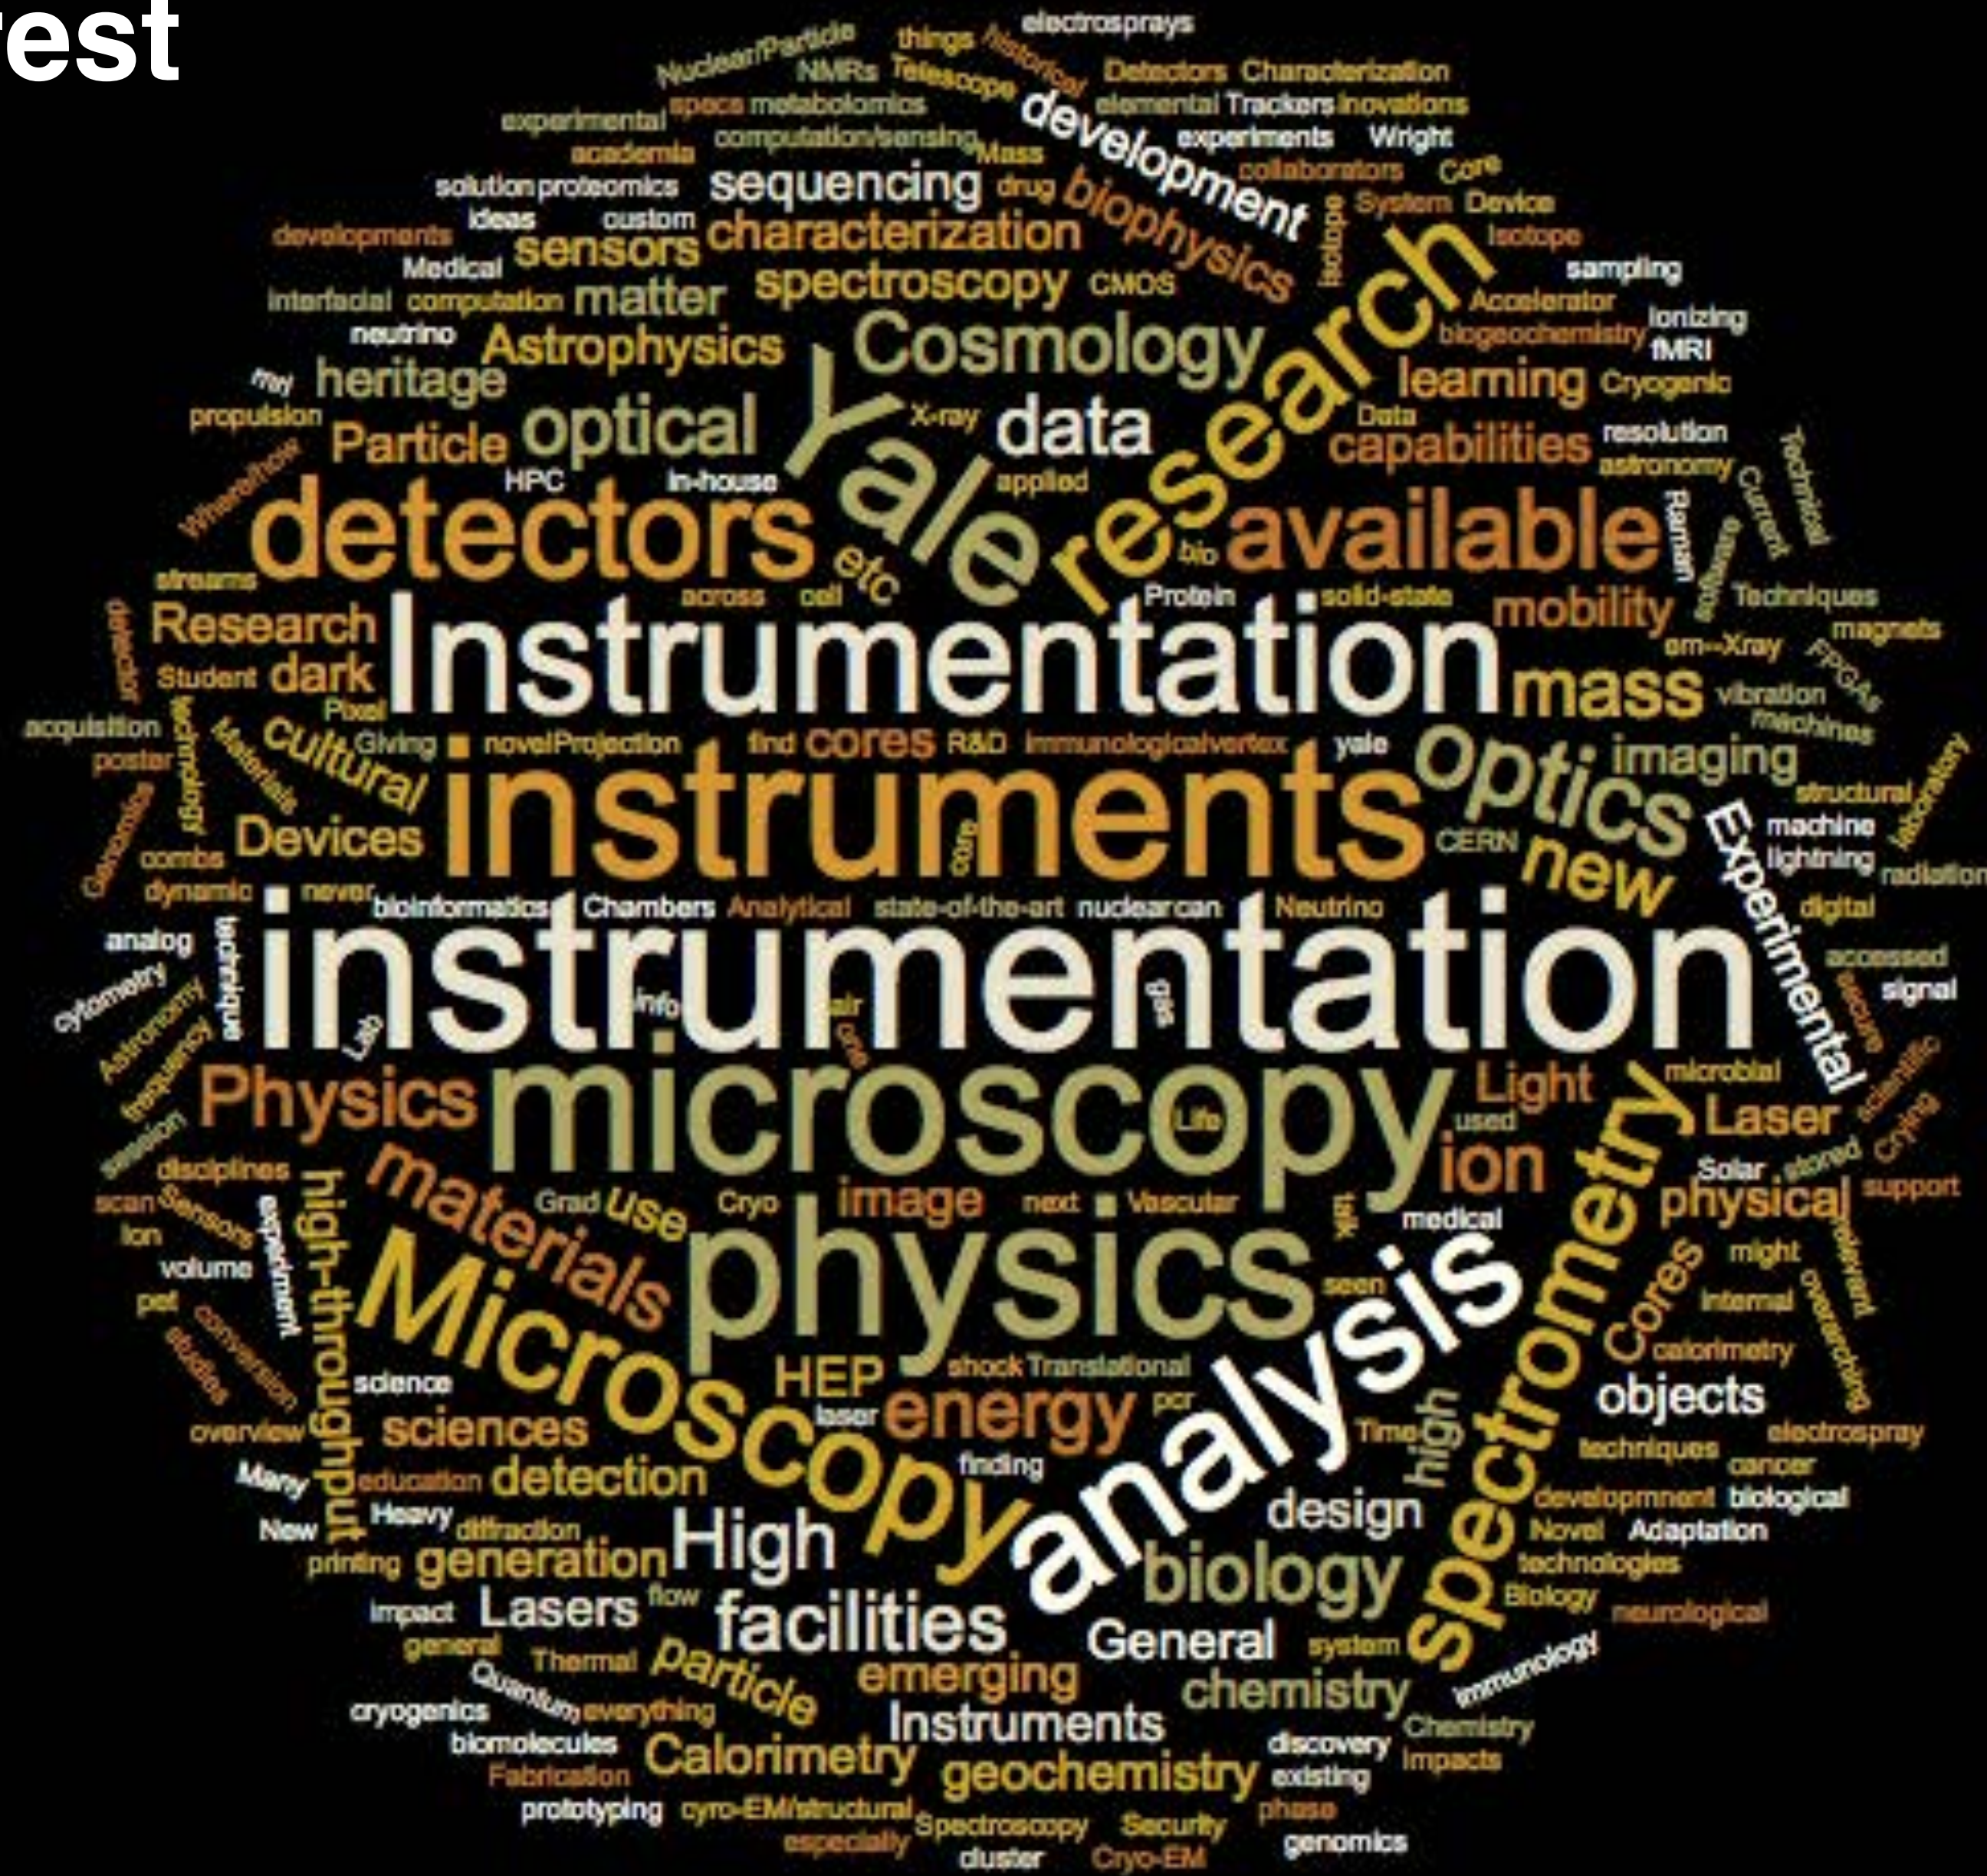

218 registrations  
40 posters  
22 lightning talks  
photo contest / image gallery  
open mic / discussion  
comment board

# Departments/Units/Schools

Radiology and Biomedical Imaging and of Neurosurgery	Mathematics / Dean of Science
Anthropology	MB&B
Applied Physics	MBB/Keck Biotechnology Resource Lab/YSM
Art museums conservation	MCDB
Astronomy	Mechanical Engineering
ATLAS Upgrade Group, Yale University Physics Department	Mechanical Engineering and Materials Science
BBS	Med /internal cardiology
Bioinformatics Support Pogram / CWML	Molecular Biophysics & Biochemistry
Biomedical Engineering	Neurology, Yale School of Medicine
BME	Neuroscience / Med School
CCMI Confocal Core	Neuroscience and Ophthalmology
Cell Biology	ODV
Center for Science and Social Science Information	Office of Cooperative Research
Chemical & Env Engineering/SEAS	Office of Public Affairs & Communications
Chemistry	Ophthalmology
Chemistry/ GSAS	Peabody Museum and F&ES
Chemistry/CBIC/FAS	Peabody Museum of Natural History
Clinical Librarian - Medical Library	Peabody Museum's Division of History of Science & Technology
CM Physiology / YSM	Pediatrics - School of Medicine
Comparative Medicine	Physics
Department of Biomedical Engineering	Provost office
Department of Physics	Psychiatry
Development	Radiology / Biomedical Engineering
Ecology and Evolution/GSAS	Rheumatology/ Internal medicine/ Yale School of medicine
Ecology and Evolutionary Biology	SEAS
EEB	Surgery
EHS	TAC
Electrical Engineering & Computer Science	Therapeutic Radiology
Employee Relations	Vice Provost for Research
Engineering	WCAC
Engineering & Applied Science	West Campus - Director of the Imaging Core
Environmental Health & Safety	West Campus Analytical Core
Executive Director of Office of Research Initiatives	West Campus Materials Characterization Core
FES	WLab, Physics Department
Genetics	Wright Laboratory
Geology and Geophysics	Yale - Human Resources
Glass Shop	Yale Center for Molecular Discovery
IBIO	Yale Center for Research Computing
Immunobiology and Laboratory Medicine	Yale College
Immunobiology/GSAS	Yale IBIO/GSAS
Information Technology	Yale Institute for Biospheric Studies
Institute for the Preservation of Cultural Heritage	Yale Peabody Museum
Internal Medicine, Digestive Diseases	Yale Quantum Institute
Internal Medicine, Yale School of Medicine	Yale West Campus
IPCH	YSM
IPCH/Chemical Engineering	
ITS	

# Topics of Interest

# Building an Instrumentation Community

*Make 1 new connection today!*

# Opportunities for Instrumentation at Yale

*We want to hear your suggestions and ideas!*
